

Brushy Creek VETERINARY CLINIC

Dear Brushy Creek Veterinary Clinic clients,

It has been a privilege to care for your pets, get to know your families, and be part of this community for the past 40 years.

I'm pleased to share that Brushy Creek Veterinary Clinic will be continuing under the leadership of Dr. Megan Leach. Dr. Leach has been an important part of our team for 5 1/2 years. She brings compassion, strong medical skills, and a commitment to the same values that have guided this practice from the beginning. You'll continue to see the friendly faces of staff that have been with us for many years, in the same location, with the same commitment to excellent care.

On January 1, 2026, I'll be stepping away from daily practice to spend more time with family and be available for other endeavors, but I'll always be grateful for the relationships and memories this community has given me. My wife and I look forward to seeing many of you out in the community as we have since the beginning.

Thank you for your trust, loyalty, and friendship over the years. Please join me in welcoming Dr. Leach as she leads Brushy Creek Veterinary Clinic into its next chapter.

Sincerely,

Jay W Naylor, DVM
